Subject: Re: House Bill 5342 - CT Fair Housing

Honorable Members of the Housing Committee:

My name is Mike Gregor and I'm writing to urge you to vote in favor of House Bill 5342, as it was originally intended and extend to owners the right to one appeal if they choose to have an administrative hearing. Under current statutes, tenants have unlimited appeal rights (reconsideration) and owners have none for CT Fair Housing Law violations. I fully support the concept of fair and equal housing opportunities for all, but we need to ensure that the enforcement process we put in place affords equal protections for both the accuser and defendant. The current law is unfair and needs to be fixed.

Please feel free to contact me if you wish to discuss this matter further.

Thank you,

-Mike Gregor
